

UNITED STATES GOVERNMENT

Memorandum

TO : C/SMS

DATE: 29 April 1965

FROM : DAD/S&D

25X1A

SUBJECT: Planninf for Project [REDACTED]

25X1A

In the initial test of Project [REDACTED] about some computer work had been done in deriving the correlation. Instead of dealing with [REDACTED] why don't we deal directly with OCS. and simply give them a task to handle this data?
